### **Safety Report**

- 1) Don't drive off the edge of Catalac on the Rubicon.

- 3) The purchase of said "spot locator" will be determined by a BOD meeting.
- 4) The rollover on the "Jeeper's Jamboree", highlighted that HAM radios are better than C.B.'s.

### **Website Report**

1) Chris has been adding as much as possible to the calendar.

### **Delegate Report**

- 1) Alan went on the 21<sup>st</sup> to Sacramento. 9 clubs missed the Cal 4 wheel due date. If the club misses the due date, the club must be reinstated.

- 3) Johnson valley still may be closed, may not, decision coming soon.
- 4) If you can't make a run to a Cal4wheel event, still support somehow (buy a t-shirt, etc.) 'cause the money goes to cal4wheel. This money supports cal4wheel legal fees, etc..
- 5) Sep 29 is next Cal4wheel meeting, perhaps we could host the meeting. We could do a 50/50 raffle.
