Run-master Report

- 1) Went to Niagara Rim Trail instead of Wentworth Springs. Six rigs were there and about 19 people. The fire affected the Wentworth trip. Very smoky in Sonora. Got to campground and smoke was gone. It rained really good while up there. Friday night prerun happened. Very well-marked trail. Saturday morning had breakfast and then left for trail at 10:00-11:00. Lots of hunters were there. Camp was small but decent. Lots of different stuff to do on the trail. Everyone had a lot of fun, kids included. Left when the rain came and went back to camp. Started raining

really good and got the tarps out. Some tents leaked. Hung out till 9:30 and then went to bed. Rain did not put the fire out. Packed up and left in the morning. Stopped at Perko's and all 19 were seated well. Recommended to go back in the future.

- 2) Lake County races were fun. Had stock cars, legends, and boat races. Wasn't as good as last year but was a blast anyway.
